Thoraco abdominal support

Ref. SRT150

INSTRUCTIONS FOR USE

Dear Customer!

Thank you for the confidence you have shown in purchasing Triamed products! We would like to inform you that Triamed products are made of the best performing materials, all having quality certificates and biocompatibility tests. These orthoses comply with the Technical Specification and the requirements of Regulation (EU) MDR 2017/745 of the European Parliament on medical devices and comply with the requirements set out in Annex I - General Requirements for safety and performance- and Annex VIII - Classification rules. Conformity is declared on the basis of Article 52 (7), Annex II and Annex III of MDR 2017/745.

Important information

The orthosis is used according to the recommendations of the specialized physician.

Choosing the size - For optimal results, the appropriate size will be selected based on the measurements table of the product. A size too small may lead to intolerance to wearing or the damage of the product! A size too large significantly diminishes the efficacy of the orthosis.

This orthosis should only be applied in accordance with the instructions mentioned here.

The product is intended for single patient use.

No liability is accepted for incorrect product use.

Guarantee is bound to statutory regulations.

Available sizes

Universal size

For waist circumference between 65 – 125 cm.

Indications

It is used in case of abdominal injuries, postoperative or after childbirth.

Description

Support with anatomical design, made of elastic fabric.

Hook and loop fastener on the front side.

Width: 24 cm.

It is a traditional elastic corset that, due to the material, allows normal thoraco abdominal breathing, while ensuring uniform compression on the entire covered surface.

Composition

Elastic fabric: PES Polyester – 40%, PA Polyamide – 40%, EA Elastan - 20%, with a structure that allows high air permeability in both directions.

Positioning

The orthosis is applied from back to front, and closes with hook and loop fastener. If the scar is on the middle line of the abdomen, the corset can be closed slightly laterally.

Cleaning

To be washed by hand with warm water, no bleaching, no spinning, no ironing, no chemical cleaning!

Storage

At room temperature, in a dry space with good ventilation.

Commercial warranty of the product: 30 days.

Date of production: see packaging label.

Validity date: no expiry date.

To validate the warranty, the seller must indicate the date of purchase. The buyer is obliged to keep and present the warranty coupon.

In order to solve the problems that appeared in the warranty, the following data must be notified: Article reference, batch and date of manufacture, indicated on the packaging box of the product.

Deadline for communication of the solution: 15 days.

Please send notifications and complaints to the following email address: suportclienti@triamed.ro

WARRANTY COUPON 30 days from the date of purchase	Batch and date of manufacture
Product reference	Date of purchase
The reason of complaint	Seller name and signature
